RE: Public Records Request: 8/26/2016

SENT VIA EMAIL

Ms. Hunnicutt,

Thank you for contacting the Arizona Attorney General's Office ("AGO"). This letter is in response to a portion of your records request originally submitted on August 22, 2016. Per our request, you submitted our official public records request form on August 26, 2016; however, your request was submitted for processing upon receipt on August 22nd. Your request sought: Please provide us with all emails dated between October 1, 2015 and December 31, 2015, sent or received between any two or more of the following people or organizations:

1. Special Investigations Chief Agent Mark Perkovich *The responsive records were released on 10/25/2016.*
2. Special Investigations Assistant Chief Dan Woods *The responsive records were released on 9/30/2016.*
3. Criminal Division Chief Counsel Donald Conrad *This request is pending.*
4. Chief Deputy Michael Bailey *The responsive records were released on 9/22/2016.*

9. Deputy Public Information Officer Bethany Diaz *The responsive records were released on 9/16/2016.*
10. Special Investigations Secretary Autumn Maya *The responsive records were released on 10/13/2016.*
11. The U.S. Securities and Exchange Commission *There are no responsive records to this request.*
12. The New Jersey State Bar *There are no responsive records to this request.*
13. ABC15 Journalist Katie Connor *The responsive records were released on 9/14/2016.*
14. @judiciary.state.nj.us *The responsive records were released on 9/14/2016.*

This response is specifically in regard to the following people or organizations within your request: item number **8. Criminal Division Secretary Lisa Rodriguez**. Please note the following:

- Some emails and attachments have been withheld because they contain personal and/or medical information.
- Some personally identifying information, confidential information, and portions of emails and attachments containing privileged or confidential information has been redacted in lieu of withholding the record entirely.
- Some emails and attachments have been withheld because of confidentiality and best interest of the state. See *Carlson v. Pima County*, 141 Ariz. 487, 491, 687, P.2d 1242, 1246 (1984) (listing

“confidentiality” as a basis for a public official to withhold public records).

- Some emails were withheld under attorney work product privilege.

In the event that the AGO has produced any document containing unredacted confidential or privileged information, AGO hereby asserts that such disclosure was accidental and does not waive any protections afforded under law.

The remainder of your request has been processed and is at various stages of review and/or redactions where legally necessary. Per your agreement with our office, we will release records on a rolling basis as they are ready and approved for release. We appreciate your patience.

Sincerely,

Bethany Diaz

Deputy Public Information Officer
