Subject: Recount of the vote

Dear legislators,
The pending forensic audit poses some questions.

1. If you do a hand recount, make sure you do it after the ballots have been scrubbed by Mr. Jovan Pulitzer. Also, remove dead people, people that don't exist, people without a verifiable signature. Then perform a candidate audit.

2. Make sure you use Russell Ramsland to do the machine audit. He is the person that was used in Michigan. We need to see if the machines were tampered with (in Michigan they scrubbed the data twice) and check the error rate.
3. No Non-disclosure agreements are to be presented or signed. FULL TRANSPARENCY>>>>>>>
4. Also, who is looking into the video footage of the person/persons that put the shredded ballots in the dumpster. We know that there this was caught on tape cause the news showed the patriot that jumped in the dumpster. Also, is anyone looking into the mysterious fire at BOS's chicken farm the very day that the shredded ballots were found. Makes you wonder. FULL TRANPARENCY>>>>>>>>>>>>>>>>>>>>>
5. As elected officials your either for the people or against them. If you're against the peoples will, you need to find a job elsewhere, because that is what you were put in office for. As a military retired person, i despise corruption from the government. You were not put in office to make it just a money grab. Do your job.
6. If you pretend to think that the election using dominion machines was fair, watch this video Kill Chain on HBO. You keep spouting the elections are secure, no one believes you.....
