**Subject:** Jovan Pulitzer Forensic Audit of AZ 2020 November Election

---

We, the American people demand that Jovan Pulitzer conducts the forensic audit of the 2020 presidential election. He will use the best technology to find out what happened to all the ballots in 2020. We demand that the audit is conducted with the technologies that are trustworthy and objective. It should be a “No Brainer” that this will help both parties to see exactly what happened in the 2020 election.

It needs to be a complete audit and not just a small sampling of the ballots.

The USA’s republic hangs in the balance in Arizona!

You will lead the way to other states conducting audits which will help restore fair and honest elections and results.

Neither side should be allowed to cheat!! If nothing dishonest happened, then prove it!

Sincerely,  
Sara Poullette
