Subject: Full Forensic Audit

Ladies and Gentlemen,

Please do the following. Paper audit: Jovan scanning all 2.1 M ballots. Then remove all people that have bogus address (Illegal ballots) Non existing people, dead people, Illegal aliens. Then you can do a recount. The machines need a full forensic audit done by Russell Ramsland. We as citizens don't really care who won, what we care about is you doing your job making sure our elections are done correctly and legally. Full transparency.....Being a military retiree, I served my country to be a free American, don't want to be little China.....
