Subject: Maricopa Board of Criminals

Saw Jack Sellers statement that they won't allow the Senate to conduct the audit in a taxpayer funded and owned building. At what point does this become obstruction of justice? At what point are these people going to be arrested?

Please, let me know if the Arizona people can do anything to help in this matter. At this point, I'm ready to go to the tabulation center with thousands of others and surround the building until the audit is completed to get these asshats out of the way.
