## Morning Edition

### TOP NEWS - April 2

#### **Unregulated chemicals contaminating water near air base**

The Arizona Department of Environmental Quality is warning that contaminated water around Luke Air Force Base is linked to toxic foam used to put out fires and urging fire fighters to stop using the foam.

#### **Dissension over masks returns in Senate, House**

Around the time Senate employees swapped out paper signs saying masks were "required" with signs saying they were "encouraged," new signs popped up outside the office suite shared by Sens. Rebecca Rios and Victoria Steele.

#### **'Strikers' propose abortion ban, money for lawmakers**

Vaccine passports, abortion bans and an oft-thwarted plan to get more money in lawmakers' pockets were among the bills that made a late introduction as strike-everything amendments this week.

#### **House approves bill to ban abortions for genetic reasons**

After more than two hours of impassioned and at times acrimonious debate, the House voted 31-29 along party lines Thursday to advance a bill that would put several new restrictions

on abortion in Arizona.

### **Non-lawyers allowed to invest in law firms**

Before this month, Mike Payne was constantly switching among his many hats - legal, accounting, business consulting.

### **Cocktails to go for restaurants may be back**

Lawmakers say they're close to reaching an agreement that would let restaurants resume selling cocktails to go without costing bar owners who paid dearly for the privilege to sell alcohol to go.

## **YELLOW SHEET REPORT**

### **THE SENATE IS SENDING GOONS TO YOUR HOUSE**

The Senate late yesterday sent over its contract and scope of work agreement with Cyber Ninjas - signed by its CEO, Doug Logan, an election denier and Stop the Steal activist - though the documents raise as many questions as they offer answers.

## **OPINION**

### **Arizona needs new, innovative ways to produce energy**

Arizona has a long history of innovation and entrepreneurship that has helped us grow from a Western outpost into a robust and thriving economy.

### **ESA opponents pick union politics over racial equality**

Cries of "structural" and "systemic" racism have swept through our nation.
