Subject: Re: Maricopa County Audit of the 2020 Election. I'm praying you read this plea to do the right thing!

To My AZ Representatives,
PLEASE HAVE THE MARICOPA BOARD OF SUPERVISORS ARRESTED AND DO THIS AUDIT NOW! WE ALL KNOW THEY'RE BUYING TIME TO EITHER HAVE SOMEONE COME IN AND HIDE/FIX ISSUES WITH SOME BALLOTS OR TRY TO GET THE FULL WEIGHT OF THE GLOBALIST CABAL TO COME IN AND NOT ALLOW THIS FRAUD TO BE SHOWN!

PLEASE DO THE RIGHT THING! YOU ALL HAVE AN OPPORTUNITY TO MAKE AMERICAN HISTORY AND LITERALLY BE PUT NEXT TO GEORGE WASHINGTON, ABE LINCOLN AND MLK FOR REPRESENTING "WE THE PEOPLE", PUTTING AMERICAN HUMAN RIGHTS FIRST AND SAVING OUR COUNTRY FROM TYRANNY!

I PRAY YOU TAKE SWIFT ACTIONS AGAINST THESE SEDITIOUS, TREASONISTS ON THE BOARD OF SUPERVISORS!

God Bless,
LB

Dear Arizona Legislatures (Senate and House Representatives),

I will make this email as short as possible and to the point. I'm a proud American veteran and entrepreneur that has had generations fighting for this country's right to vote and to have free and fair elections. I feel we are in a situation where our country is at a crossroads/crucible with regards to what direction we end up going and are in need of transparency with our election systems and the 2020 election on Nov 3rd is a prime example..! The Court Ordered all of the 2.1 Million ballots from 2020 Election in Maricopa County along with the Dominion voting machines to Audit. Doing anything less than a full scale forensic Audit looking for any/every potential fraudulently casted ballot or electronic election fraud would be a disgrace and have deep Democratic Republic harming consequences.

I also want to say I appreciate everything you do for us and the support you've shown to get to the bottom of these election integrity issues, sincerely.

However, currently our State of Arizona, our Country and the entire World is watching how specific individuals in positions of power/control handle this Audit. I'm not naming specific names to avoid embarrassment or unfair pressure so I've included everyone in the GOP as primary recipients in this email. Truthfully the fate of our democratic republic and free world is in a few of your hands. Please make history in a good way and don't sell Arizona and our great country down river!!

I feel strongly that we need a few things done correctly and now, and this is the last opportunity to do so! Here is what we as a public NEEDS to feel confidence in our election systems and any future ones. First off, We NEED ALL of the Maricopa County's Ballots physically given to a trustworthy team chosen by the public, 100% of them scanned in using forensic methodology (all being live videotaped AND monitored by either National Guard Members or a member of the Democratic, Republican & Independent Party and/or chosen member(s) of the public). Next, ALL of these ballots need to be audited (not samples of 10%, not 20%, not 30%) 100% is the only number we can use to perform this full, multifaceted, transparent audit.

This is all strongly preferred to be done by the creator of the QR codes and American hero that is trying to provide answers to the many questions regarding the scary truths that our elections have several deeply rooted abnormalities/inconsistencies seen in Nov 3rd 2020. Many of which include potential foreign and domestic actors that were involved in election meddling. Myself and the majority of people around our State, the USA and even the entire World know without a doubt that we need to use Jovan H. Pulitzer as at least a coordinator of this Audit. & a team that either he assembles or that the Senate assembles around him (with other parties if need be). Using a third party that doesn't have a concise and detailed plan to audit these ballots isn't acceptable and will only serve to undermine our confidence in the previous election and importantly ALL FUTURE ONES.

Please understand that we need this in order to regain confidence in our government and that our votes are being counted.! This is not to change the 2020 election outcome, this is just to provide confidence in future elections and identify issues that were overlooked due to the illegal withholding of these ballots by the Maricopa County Board of Supervisors. This is what needs to be done to ensure election integrity in future elections.

Please hear what we're saying and don't use some ridiculous reasoning that the cost is too high, because we can raise the funds within a few hours to pay for this if given the opportunity.

Please stand up for "We the People" and avoid the inevitable consequences of your bad decision(s). Do it for your children that will benefit from a democratic Republic in the future and not a Totalitarian Dictatorship or Oligarchy Technocracy.

I pray that you make the correct decision and conduct this Audit with full transparency, using trustworthy people chosen by "We the People" and understand that we paid for this election, we pay for the election voting machines, we paid for the buildings you work in, we paid for your offices, we will be paying for this audit and Lastly, We pay your salaries (and put faith in the fact that if confronted with a situation like this you will do what "We The People" want you to do and what's best for us. Please don't take the path of least resistance! There is a history book with your name on it if you do what you know the right thing to do is, please do it!

Sincerely,
Lennon
