Subject: PLENARY AUTHORITY- demand physical custody of ballots and machines

Dear elected officials,
The will of the people - myself included - remind you of your authority to demand physical custody of the

ballots - and those machines that need a legitimate forensic audit.

This has gone on far too long. Board of supervisors have overstepped their legal authority, and ignored your subpoenas - AND THE WILL OF THE PEOPLE - to surrender the ballots and dominion machines. Take your authority NOW.

Newly elected recorder Stephen Richer insists no evidence of fraud??

(But was he elected ? Do we know for sure? Did prop 208 really pass? We do not know, when shredding ballots took place among other obvious fraudulent and illegal actions. We have not forgotten, nor should you, the voters registered to government buildings, dirt lots, and questionable signature verification.)

YOURS in truth, integrity and honor in our sacred elections,

Janet Delear
