Subject: Contact Judge Thomason -DEMAND ACCESS NOW !!!

Due to the gravity of this situation & the potentially illegal actions already conducted by the Board of Supervisors, we demand IMMEDIATE action be taken to secure the ballots & prevent any further delay.

Take action now to conduct the audit in the Maricopa County Election and Tabulation Center. The taxpayers own the building, the audit is funded by the taxpayers, the chain of custody would be protected, and it is customary practice when fighting over disclosure and subpoenaed items to make said item available at their physical location when it is impracticable to do otherwise.

Contact Judge Timothy Thomason - demand access now - if the Board does not comply, hold them in contempt.

Step up to the plate & see this through, Legislators!
