Subject: IMMEDIATE ACTION MUST HAPPEN NOW!! PLEASE DON'T DELAY!

The latest word is that the Maricopa Board of Supervisors refuse to let the audit take place on the premises where the ballots are currently located. They claim the subpoena does not state that the audit will take place at their premises. What a bunch of lying feckless weasels. First, the taxpayers own the building. Second, the audit is funded by the taxpayers. Third, doing the audit at the present location protects the chain of custody. Fourth, removing the ballots offsite gives the board plausible deniability in the event ballots have gone missing. They can conveniently say, "well, they were all here. I don't know why you don't have all of them." Fifth, it is customary practice when fighting over disclosure and subpoenaed items to make said items available at their physical location when it is impracticable to do so otherwise. 2.1 million ballots and the machines are in one spot. Why cost the AZ taxpayers hundreds of thousands of dollars to transport? Delay, delay, delay. This is what happens when politicians handle things. The remedy is simple. AZ legislators—get the presiding judge on the phone now. Get the matter on the record now.

Demand access pursuant to the court's order now. Ask the judge to hold the BOS in contempt if they do not open the doors now.

Please ask the Judge, to exercise control over the Maricopa BOS. This is an embarrassment to the court. If you know the Judge Timothy Thomason, start mentioning his name. It's great when a judge responds after his name is posted all over the internet. We the People decide what happens with our votes. Not the other way around.

We need all efforts exhausted.

We also NEED legislation for Vaccine Passports, End To Sanctuary City, County State, Completion

of our Border Wall, Refusal to Accept The Illegal Invaders into this State, being forced upon us, by the Federal Crime Lords!!

ANOTHER THING WE DESPERATELY NEED: Arizona to join along with 34 other States, to institute TERM LIMITS for all Congressional House and Senate Seats. ALL OF THEM. These people have been there way, way to long.

Let's take 47 Year Career Politician Joe Biden, the Crime Boss, for example.....What has he accomplished in that time?

Name one accomplishment? ZERO!! Aside from providing a great living for his entire crime family.

I could have an endless email, listing all the others.....

Something is amiss, with the Maricopa County BOS's.....Has any investigation into their and their families bank accounts taken place? Have any of their large debts been paid off? Or their families? Anyone check into Off Shore Accounts? Large Deposits, per say?

Because these folks are fighting awfully hard for something that is supposedly "legit".

And what about the Secretary of State, Katie Hobbs? Anybody looking into her as well? The George Soros plant? She certainly is complicit in all of this nightmare.

Due to the gravity of this situation & the potentially illegal actions already conducted by the Board of Supervisors, we demand IMMEDIATE action be taken to secure the ballots & prevent any further delay.

Take action now to conduct the audit in the Maricopa County Election and Tabulation Center. The taxpayers own the building, the audit is funded by the taxpayers, the chain of custody would be protected, and it is customary practice when fighting over disclosure and subpoenaed items to make said item available a their physical location when it is impracticable to do otherwise.

Contact Judge Timothy Thomason - demand access now - if the Board does not comply, hold them in contempt.

Please, let's make Arizona the first state to certify, that YES, fraud transpired on a grand scale and that there is no way, we can let this previously certified election result stand.

Watch what happens, then the other five will tumble in line.

Watch how we would find out too, Martha Mcsally won as well.

Please I am pleading with each and everyone of you.

I know Jovan is ready to make a move.

ARE YOU?

Subject: VOTING LAWS

I ask all of you to please start putting forth legislation after legislation to protect us.

We cannot have HR1 be the rule of the land. It would be the end of our nation as we know it.

Plus these people are coming after our guns. It is happening right before our eyes.

The party who is running this country right now, is shredding our Constitution and the Fabric of our nation at every single turn, with every single piece of legislation they ram through.

Now they are getting rid of the Filibuster, which they used continually against President Trump non stop.

It is my firm belief, that we as a State, need to seriously consider, a Convention of States, to fight against this Administration and oust them. A Civil War I believe is on the brink. Perhaps removing ourselves from this union.

I read these comments on all these forums and it is getting real.

The WHITE MAN is being persecuted in this land. Take a look at what Oakland just did with their guaranteed income scam.

This is happening over and over. Look at the Colorado shooting. EVERYBODY started screaming bad white man, shot up all these people in the store, we must take all guns now!! Turns out, Gunmen was a Muslim.....Then the whole Narrative changes. Nothing now on the media about it. NOTHING ABOUT THE TEN WHITE PEOPLE KILLED BY A MUSLIM TERRORIST!!! NOTHING!!

What about the poor white woman, brutally raped for three days in Florida, during spring break, by two black men. You hear nothing about it, nothing.

When you look at Mass Shootings over the last couple of years, which killed 4 or more people, it is not the WHITE MAN doing this at all. See attached photo.

Looks like people of all races kill to me. But the majority in that collage, sure is not the white man from what my eyes see.

Then you have the Black women who pummeled an Asian woman in Georgia. Nothing about it in Main Stream Media.

Do you all see the pattern here? Reparations? White Man bad?

HOW IS THIS NOT RACISM?

And I feel that we should put forth legislation to complete the BORDER WALL, on our Border with Mexico.....Place our National Guard there. Something.

We are being INVADED!! Our votes will never count again! We cannot afford to have all these people coming here like this!!

This is INSANE!! We are no longer a country if we keep allowing this!

Why are we putting these people up at hotels around here?

Crime is going up!!

Please do whatever you can to stifle this invasion. What ever it takes!

Look at our joke of a Mayor John Giles, goes on CNN and says he is proud of the Biden Administration???? And this guy is suppose to be a Republican!! Republican's last I knew believe in Border Security!!

At least over 80 million of us do!!

I know I am becoming a pain in the ass for you all. I am sure I am.

But if I was in your seat, I would be fighting like hell, to protect our Nation.

I don't even recognize Ameriko anymore.....And no that is not a typo, that is where we are heading.

Also, I am so glad, you all are moving forward on this AUDIT, of the November election. Hopefully you consider Jovan Pulitzer.

So when it comes to light, the massive fraud and theft that occurred, what happens then?

Can you reverse this Certifications? Will Ducey sign it?

There is a lot of work to be done. I hope you all are up for the challenge!

Those 80 million plus people who are normal and do not want to see America torn to shreds, all have your backs!!

Remember that. Don't worry about political persecution from the left, or being called racist, or negative news

headlines...

Most of the rubbish news around here, is Left Wing anyway. And yes, I have also written to those reporters about their lies as well.

I write a whole hell of a lot more people than just all of you.

This has almost become a Part Time Job!!

Thanks in advance for doing anything you can to save our Republic.

We are in the worst of times right now.
