Subject: Re: 2020 Presidential Election | Audit

Dear Arizona State Senate Members,
Thank you for choosing Jovan Pulitzer for a kinematic audit of the 2020 Presidential Election.

As you are all well aware of, the Maricopa County board of supervisors blocking access to the tabulation center is the newest attempt to delay the audit. This building is owned by the people of Maricopa County - those who pay taxes to fund the construction, operation, and maintenance of this facility. Please place a subpoena to gain access to this facility. Without access to the facility, critical resources and evidence which aid the audit will surely be lost.

Thank you,

Brendan

Dear Arizona State Senate Members,
I encourage each one of you as individuals to embrace Jovan Pulitzer's audit. This is NOT a recount. The audit is meant as an investigation into any possible criminality within the voting machines, ballots, and methods used to count said ballots.

This may not be in your political interest, but we're at a point where that frankly doesn't matter. I urge you to put that aside and do what's best for the Constitution of the United States and the American People. If this is not fixed, the United States will likely never have another free and fair election again.

Thank you,

Brendan
