Comments:

Senator Peterson, I contacted you demanding a audit of the physical ballots for the 2020 federal election. I am aware that Jovan Pulitzer will be in charge of the audit. I feel very good about this and decided to connect with you again to ask you to stand strong with your decision, and don't let anything or anyone interfere with this audit. I feel this is very VERY, important for our nation to know the truth. Like I said before if this was legitimate know one should object. My family and I are praying for you and our nation. Thank you for your time with this matter Sandra Davies
