Friend,

Even though the Democrats and their national media allies were swarming our great state recently trying to stop our Election Integrity efforts, **the Full Forensic Election Audit will be continuing on today as planned!**

It can't be said enough just how important a role patriots like you played in making this monumental investigation a reality. **You are helping Arizona Republicans lead the way, and supporting real action on this front, not just talk!**

KEEP UP THE SUPPORT!

CHIP IN FOR ELECTION INTEGRITY!

Our State Senate was deliberate and calculated in this process, and it will provide much-needed confidence in our *republic itself* at a time when millions of Americans are calling for just that.

When we set out to take on this challenge - in the face of critics and censors who wanted us to bow down - our motto was this:

We Will Not Be Intimidated.

And now, thanks to a flood of support pouring in from everyday, grassroots donors like you, we can finally begin to get some answers and transparency on this front.

Thank you for supporting our America First party, and for helping one of the most important Election Integrity milestones to date become a reality in the great, free state of Arizona!

Let's keep up the momentum!!!

MAKE A GRASSROOTS DONATION TODAY!

For Arizona and America,

*Dr. Kelli Ward
Chairwoman
Republican Party of Arizona*
