Comments:

Iâ€™m requesting you appoint a NEW, independent, and impartial judge to preside over the Maricopa County election audit. Judge Gates has a clear conflict or appearance of conflict in any cases related to Maricopa County elections and audit. Judge Martin should never have been selected for the current case. Both Gates and Judge Martin should be recused and a new independent judge should be selected to oversee this case. Judge Pamela Gates, the wife of one of the Maricopa County Board of Supervisors, Bill Gates, chose who was to preside over the election audit case. Why was this allowed? This is the same Bill Gates that is part of the group that has done everything it could to prevent an audit of Maricopa Countyâ€™s 2020 Election results. A Janet Napolitano appointed judge, his wife just appointed, to the Maricopa County election audit case. This HAS to be CHANGED. Our freedoms and our great USA is at stake. Please make all of these wrongs that were committed right. I am disgusted youâ€™all have allowed this to get to this point. Our 2020 election should have been free and fair to begin with.
