Subject: Bill Gate's wife

How can the wife of Bill Gates be allowed to pick a new judge for the audit. I am pissed off with the games they are playing to audit the election. The American people deserve the truth. I hope you will not back down and allow all this garbage. Judge Gates and the new judge need to be recused themselves. They have a serious conflict of interest. Everyday you get

something new and you can't make the things up. Please fight and continue the audit to find the truth.

The American Bar Association has a **code of conduct** that all attorneys must abide by. A judge must avoid any impropriety or appearance of impropriety.

A judge shall uphold and promote the independence, integrity, and impartiality of the judiciary, and shall avoid impropriety and the appearance of impropriety.
