Friend,

The full forensic audit in Maricopa County has been making waves as one of the most important Election Integrity efforts ever undertaken - **it's even been catching the attention of President Trump!**

As patriots like you have continued to help this fight, Trump has been taking notice, and releasing statement after statement with updates and praise for our mission to get full transparency about an election in which this America First champion was on the ballot.

**KEEP UP THE FIGHT: TRUMP HAS OUR BACK!**

Trump knows that even though Democrats have been getting over 100 Democrat lawyers to suspiciously try to hide the facts, nothing will stop our non-partisan audit process from continuing on.

**America deserves the truth!**

**PITCH IN FOR ELECTION INTEGRITY**

The Radical Left and Fake News media have attempted to obstruct and spread lies about our audit process, just like they constantly did to President Trump when he was in office.

That's why he recognizes these partisan attacks for what they are, and why he is in *our corner* for this Election Integrity fight!

With Trump backing us, let's do everything in our power to make sure we have the resources to fight off these Democrat attacks and **FINISH THE AUDIT!**

Chip in to keep up our Election Integrity battle, and show the world we won't be intimidated!

**CHIP IN \$5**

**CHIP IN \$20**

**CHIP IN \$50**

**CHIP IN \$100**

**CHIP IN ANY AMOUNT**

Thank you for the support,
