Friend,

With America's Audit already uncovering discrepancies, irregularities, and even potential spoliation of evidence, Maricopa County officials and panicked Democrats continue to obstruct and belittle our efforts.

We all should be asking the same question - ***what are they hiding?***

**FINISH THE AUDIT!**

These officials have chosen to do media hits with Fake News CNN

instead of sitting down with us and discussing our Election Integrity efforts.

**They've launched attacks on our courageous State Senators, and on everyday, grassroots donors like YOU just because you want answers and transparency about a bedrock of our republic!**

**Let's not forget - many of the Democrat talking heads trying to stonewall us peddled lies about Russia stealing the election over the course of Trump's entire presidency!**

The actual "Big Lie" is the false assertion that every day patriots are somehow forbidden from scrutinizing elections. **Don't fall for it!**

Help us finish what we started so that we can overcome our detractors and keep up our great progress!

**CONTRIBUTE TO THE AUDIT**

Thank you for your continued help with America's Audit!
