Subject: FRAUD IS FOUND Fwd: Recall petitions for ALL of you

Rino Fann you are a disgrace to our state and country. This 6 month "break" has been a part of your plan since the beginning. You are an anti-American who has turned their back on our country and the world!!! You will go as the worst senator in history for ALLOWING fraud!! Now we know you are a part of the fraud and corruption.

I will tell you exactly what is happening. You don't want to make public the fraud and corruption that has been found through the audit. Now you are going to let the communist media say "see they found nothing and the election was legit". This is the result of payoffs, corruption, promises, death threats and extortion.

You are ALL a group of sick communist individuals. You work for US, We The People, not soros, and the weak democrats and lying backstabbing rinos.

Clearly, you do not listen to constituents which is why you are communists. We know you are a part of the cover-up. It won't end well for you when the lies are revealed because they will be revealed.

Karen Fann take a look at your below reply to me from March. You blamed the "liberal" media = Karen Fann YOU are the liberal media.

Because every time we try to inform you of the latest updates, the liberal media twists the information and try's to discredit our efforts. We are finalizing the details and all will be made public when we are ready to set the audit in motion.

Hello swamp members,

Kelly Townsend we see you trying to help and we appreciate it. PLEASE don't stop!!!

I just want to inform you that you have all violated the constitution and will be held accountable. You are doing a horrible job. We have recall petitions to get every single one of you OUT and the signatures are building up!

Why haven't every single one of you spoken up about the election fraud? What aren't you fighting for the truth to be exposed? You have all allowed this election corruption to happen. The reason why you are all so silent is because you are behind it.

I know none of you read your emails because you don't care about American citizens but we have thousands of PC's who will be taking your seats. Trust me. You don't represent us in Arizona or America.

We are very pissed off and we will never NEVER stop fighting for the truth... until it is exposed and Jovan Pulitzer does the audit. The recall petitions are building up.

In Maricopa county there was over an 11% adjudicated rate in the 2020 presidential election. It's usually 2%! Fraudulent corrupt election that you allowed to happen.

Look what you are allowing at our borders. Illegals are coming over by the thousands because you want their votes. We have patriots down there trying to stop the ILLEGALS by entering. Those patriots are doing more than you and the Arizonians see it and that's why they will be taking your seats.

President Trump won the state of Arizona and the presidential election by a landslide. Speak up!!

We have a fake president who can't even walk up stairs and complete a sentence. This is sickening that you have all allowed this to happen.

DO AN AUDIT WITH JOVAN PULITZER NOW!!!! Stop the BS!! Our country is being destroyed because of you. Get angry and speak up! Follow Marjorie Thomas, Ted Cruz, Josh Hawley, Mike Lindell (not even an elected rep), Herschel Walker(not an elected rep) but we hear and see them more than any of you - they are the real leaders.

The patriotic citizens and PC's are doing more than any of you and that's why NONE of you will be voted back in.

What happened to the subpoenas?

If you disagree with the above factual statements... then PUBLICLY SPEAK UP NOW cause we don't hear you!!
