I wouldn't be sending this out if it wasn't so URGENT! Michelle Ugenti did it to us again. She killed an extremely important Election Integrity that Kelly Townsend worked on diligently that would have passed if it wasn't for the childish maneuver of Michelle UGENTI-RITA saying she stopped the Integrity bill cause Kelly didn't ask her 'permission' to put the Bill out there to be voted on. What a rino childish play. Remember this and do not even consider Michelle Ugenti Rita as a Secretary of State for which she is running for. We can't afford her to screw us all.

Just so you know please read the rest of what is happening. We need to keep Congress/Senate in session in order for the Audit Results to be brought forth so it's not a waste of all these people's time and energy who worked the audit.

Please read the email from Patricia Tom. Then send it with your name, etc., to all the Senators and Legislators all attached below.

Thank you.

God Bless!

**Subject:** Please make calls again. WE knew they would try to pull a fast one----AUDIT URGENT!!

**Urgent action: Concurrent Special Session. Easy to copy and paste all email addresses in one swoop. Use your own words if you want but must say Concurrent special session! Please share this message with all you know that live in Arizona.**

Hi everyone,

Liz Harris and Gail Golec came on my election integrity call to share some very troubling news about Sine Die. We were discussing it for over an hour.

Below is an email to send out to your entire database and have them take action on this immediately. They want to Sine Die tomorrow and we need to have gavelled in a concurrent special session. I just received a message from Senator Kelly Townsend. We must protect this audit. The entire country is watching and will be affected by this.

Please share this in email blast and social channels and ask for support.

Thanks! Sherry

**Subject:** We ask the Az Legislature to Create a Concurrent Special Session

Dear Senator,

Election Integrity is vital for all citizens and transcends party lines. A bi-partisan effort must take place to restore confidence to the American people that our elections are secure and honest and that our vote counts. The forensic audit report of the Maricopa County ballots is conflicting with pressures to close the current legislature session (Sine Die).

To restore confidence in our election system I am REQUESTING:

- The Arizona Senate to declare a concurrent special session
- Gavel into the special session and declare a recess until the audit report is received by the Senate
- Sine Die from the current session

We also ask the Az Senate to issue an order to forensically audit the 2020 ballots for the remaining Arizona counties.

Sincerely,

Francine Romesburg
