Subject: We are behind and need your help!

Friend,

I wanted to take just a minute to let you know the status of where the AZGOP is right now for our mid-July fundraising goals.

Even though our deadline is set to run out at midnight tonight, we are still behind where we need to be!

Rush in to Meet the Deadline: <https://secure.winred.com/arizona-republican-party/email-we-are-still-behind>

Our party has been taking on the most important issues facing the country, and as much as the corrupt media may claim otherwise, we aren't the ones trying to undermine American democracy - *we're the ones trying to save it.*

But taking on that mission with massive undertakings like America's Audit requires continued resources - resources that we're short on right now!

If you can make even just a quick \$10 contribution before time runs out, your generosity and patriotism would be greatly appreciated!

Chip in \$10 Here!: <https://secure.winred.com/arizona-republican-party/email-we-are-still-behind?amount=10>

Thank you for your urgent support - YOU are making our mission possible, and helping Arizona lead the way!

-Dr. Kelli Ward, Chairwoman
