Friend,

Today is the birthday of the greatest country in the world - **Happy Independence Day to the best team of patriots out there!**

This holiday has a different feel this year after months of lies and lockdowns from politicians and bureaucrats like Dr. Tony Fauci - today, *nothing can stop us from celebrating America's founding and our freedom to the max!*

On behalf of the entire AZGOP team, we hope you have an incredible time celebrating America with friends, family, loved ones, and fellow patriots.

The greatest country in the world is worth celebrating, and is worth being put *FIRST!!!*

Once again, happy Fourth of July to all!

For America,
