Friend,

Judging by their plummeting ratings, it's safe to assume that the Fake News media hasn't been getting your viewership recently...

Who would've thought that carrying water for the Biden administration by becoming a Democrat propaganda arm would lead to Americans tuning out?!

FIGHT THE MEDIA PROPAGANDA

But the MSM's low ratings still doesn't mean that their despicable tactics should be treated with anything less than full scrutiny. We must hold them accountable!

To catch you up, the hacks at CNN have stooped to spreading outright lies about important efforts like our Audit here in Arizona!

When they aren't bending over backwards to praise Biden's America Last agenda and cover up his failures, they are actively trying to take down anyone who doesn't subscribe to their far-left vision.

We can't let it stand - join our America First state party and help hold these media hacks accountable!

Thank you for speaking out,
