Comments:

Senator Warren Petersen, I don't normally get involved in politics, but I am extremely concerned about the integrity of the 2020 election and the actions of the Maricopa County Board of Supervisors. I am writing to let you know that I very strongly support a physical ballot audit and a complete forensic audit of all voting equipment no matter what it takes to get that done. Please do the right thing and restore our faith in the election process. Sincerely, Kory Reeves
