CASE NUMBER: SIS-2020-0323

DATE APPROVED BY SUPERVISOR: November 30, 2020

CASE NAME: Guillermina Fuentes

REPORT TYPE: Fingerprint Analysis Update - Supplement #5

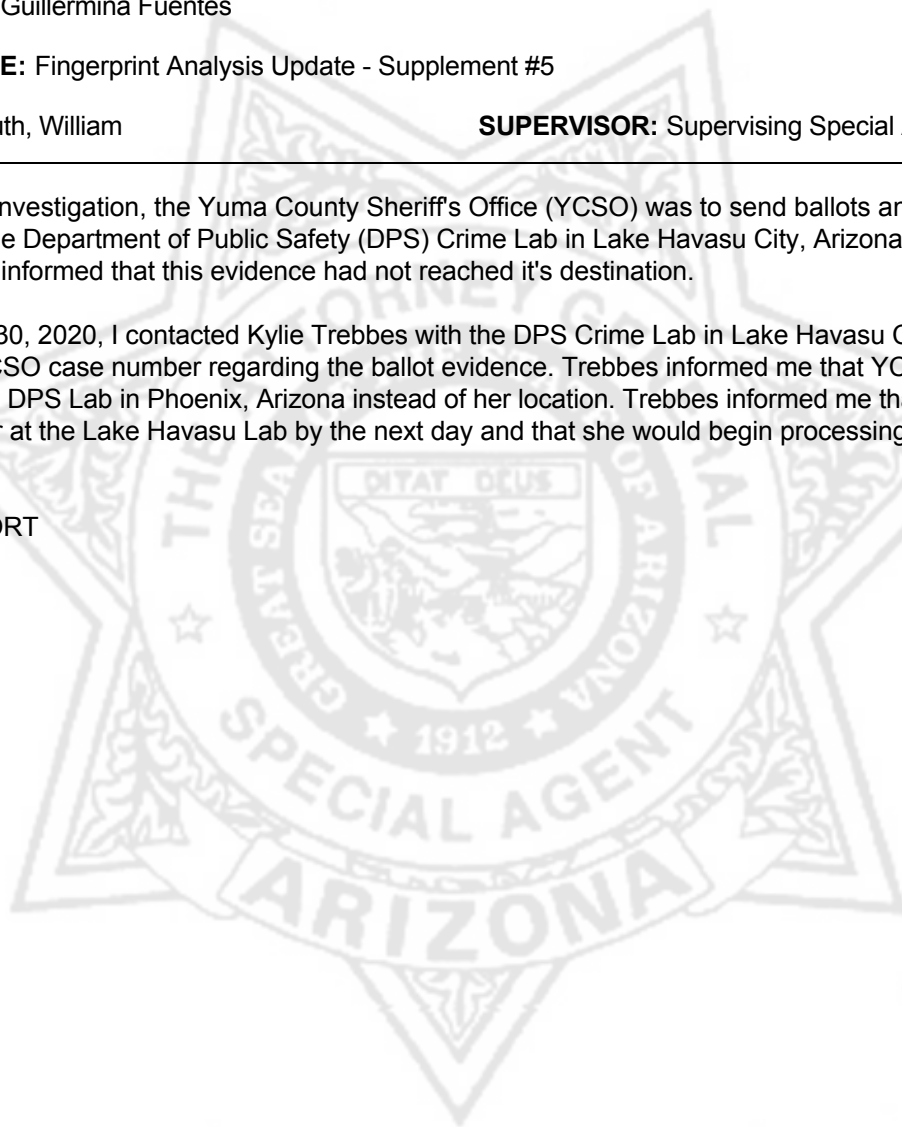

AUTHOR: Knuth, William

SUPERVISOR: Supervising Special Agent John White

As part of this investigation, the Yuma County Sheriff's Office (YCSO) was to send ballots and ballot envelopes to the Department of Public Safety (DPS) Crime Lab in Lake Havasu City, Arizona, for fingerprint analysis. I was informed that this evidence had not reached it's destination.

On November 30, 2020, I contacted Kylie Trebbes with the DPS Crime Lab in Lake Havasu City and provided her with the YCSO case number regarding the ballot evidence. Trebbes informed me that YCSO had sent the evidence to the DPS Lab in Phoenix, Arizona instead of her location. Trebbes informed me that the evidence would be to her at the Lake Havasu Lab by the next day and that she would begin processing the evidence immediately.
