CASE NAME: Guillermina Fuentes

REPORT TYPE: Jesus Encinas Contact - Supplement #21

AUTHOR: Carroll, Don

SUPERVISOR: Supervising Special Agent Travis Williams

On 10/14/2020, Special Agent Knuth and I were in San Luis, AZ to contact voters from the August primary election in San Luis. We were assisted by Yuma County Sheriff's Office Sergeant Hemstreet, Investigator Salazar and Investigator Peralta.

One of the voters to be contacted was Jesus Enrique Encinas. Encinas had a reported address of [REDACTED]

I reviewed Hemstreet's report and the body camera video from Salazar. Hemstreet's report states "Left AG's card at the door. AG stated he would put him in contact with Investigator Salazar due to Spanish speaking only." In the body camera video, Hemstreet and Salazar contact a woman at the house, and according to Salazar's translation of what the woman is saying, Encinas is the landlord for the property. The woman said that she had been living at the house for several years. At one point Hemstreet walks out of the video and appears to go to the front door of the house. Hemstreet returns with a business card and hands it to the woman, saying that it is the card for one of the AG investigators.

That day, I received a phone call while I was driving in the San Luis area; Salazar was driving behind me. Salazar and I pulled over into a parking lot so I could speak with the caller. The caller told me that he was given my phone number by someone at his house. The caller spoke in broken English, so I handed my phone to Salazar to continue the conversation. I do not recall what Salazar told me about his conversation with the caller.

Nothing further
